### Book The Goal

The book: The Goal, attempts to teach valuable lessons about industry while keeping the reader entertained with an interesting side story. When I began reading, I had doubts that the book would effectively be able to hold my attention. I also was concerned that the personal side story would just waste my time. I was; however, pleasantly surprised.

### **Book Summary: The Goal by Eliyahu Goldratt**

I read the Goal from the perspective of leading change in a service delivery department, where I've used the Kanban Method to guide improvements to our delivery. The goal was the initial inspiration for David Anderson's book Kanban for Successful Evolutionary Change, and it was interesting to read from that perspective. 2 people found this helpful
