Ways you can help your child develop holistically ...

You start the game with a couple of peasants and limited resources to eventually turn your small settlement into a real medieval castle. Build, mine resources, grow crops, manufacture equipment, trade, and advance science on your own or by delegating tasks to your people.

First Feudal on Steam

At this age, ball play helps children develop grasping skills, eye-hand coordination, tracking, finger muscles, and the ability to move objects from one hand to another. Cognitively, infants and toddlers learn about the properties of balls: They bounce, roll down hills, are easy to move and difficult to keep still.
