1988 Honda VTR 250 Interceptor specifications and pictures

5/03/2005: The VTR250 got rolled out of the far corner in the garage, and the battery has a charge again. Angela is due in September, so I don't think she'll be doing much riding this year. I'll start alternating between the VFR and the VTR when commuting to work, so the VTR gets some more miles. She's really holding up, though.
