We've been there before. Slader is an independent website supported by millions of students and contributors from all across the globe.

Home :: Free Homework Help and Answers :: Slader

The solutions manual is just the back of the book solutions copy-pasted into a fancy booklet. Which is down right shameful. If you got a teacher like mine, who mumbles, skips steps, and barks at students who asks questions, then you need a textbook you can read and learn from. This book does fine with that.
