I use reinforcement worksheets for review or remediation. I will give students 10 minutes to answer the questions on their own while I circulate in the classroom. Eventually, I pick someone to go to the board and write in the answers as we go over them. Students love to write on the whiteboard and sometimes this is an incentive for them to try harder to complete it without help. (I only choose ...

Fact Sheet . Brief Description. Reinforcement (R+) is used to teach new skills and to increase behavior. Reinforcement establishes the relationship between the learner's behavior/use of skill and the consequence of that behavior/skill. This relationship is only reinforcing if the consequence increases the likelihood that the learner performs that behavior/skill. Reinforcement can be ...
