Soul of Flame Book 4 of the Imdalind Series YA Fantasy I had a tough time rating this one. That doesn't happen very often. Usually I can sit back after finishing a book and give an overall impression, a solid representation of how I felt and thought. But Soul of Flame is proving uncooperative. I can't seem to reconcile all the parts.

Soul of Flame (Imdalind Series Book 4) by Rebecca Ethington Audiobook Part 05

No series has been that frustrating for me... even Dance with Dragons in the Song of Ice and Fire series by George R.R. Martin was a tad more satisfying with the moving of the plot. It was frustrating because not only was book 3 in the Imdalind series the same timeline as book 2, but book 4 barely moved the plot at all.

Half of book 4, but told in Wyn and Ryland's point of view. While I like Wyn, I don't think repeating half of Soul of Flames from her perspective it was necessary for this novel. As a novella or side novel, yes. As part of the main plot, no. I don't understand why it couldn't be incorporated in Soul of Flame or Ember of Eyes.

Your companion soul mates—aka soul mate friends—can be equally important in your life. If you think of earthly life as a temporary journey for the soul, as some spiritual people do, you'll want to have interesting, supportive companions for the trip—just like any character in an epic story or legend picks up companions along the way.

You see, the audio books for Imdalind are already out, and while I am changing and rewriting a fair bit of the books, I can't actually change too much without breaking the audio book link up, and I don't want to do that because I know a lot of people who live and breathe by audiobook and I don't want them to lose out.

Imdalind Continues, With a New Book | Rebecca Ethington

The Imdalind series by Rebecca Ethington just keeps getting better-and-better. The second book in the series, Eyes of Ember, can be considered as a major plot-definer - a lot of things are revealed. Moreover, there is also a possible plot-changer - all I will reveal is the possibility of a love triangle.
