Tempting The Debutante A Victorian

The Victorian Debut The process of achieving a societal debut in the late nineteenth century was one in which eighteen-year-olds got their first taste of all the splendour that money could buy. Yet at the same time, the coming out process was one that was as constricting as it was exhilarating.

The Victorian Debut | Jean Zimmerman

Debutantes in the Victorian Era The debutante tradition has its roots in England. The idea that a girl should be presented to society stems from the time when a daughter of marriageable age needed to find a husband of suitable and similar social standing.

These girls were well placed members of the aristocracy and had likely been presented in the April a year or two previous to their marriage, but not necessarily. Based on what I've read, during the early Victorian era, the average age of an upper-class virgin bride was 19 years old; by the late Victorian era 21 years of age.

Harlequin | The Princess Plan

Victorian debutante Laura Sullivan couldn't believe her eyes. Aunt Sophie's ancient spell had conjured up the man of Laura's dreams—and deposited a half-naked barbarian in the library of her Boston home. With his bare chest and sheathed broadsword, the dark haired giant was a tempting study in Viking maleness,...
