The title of this Listopia says "Best Alternate History Novels and Stories", yet Oryx and Crake, The Year of the Flood, The Handmaid's Tale and 1984, which was written in 1949, are all set in the future.... Due to this, and as earlier comments agree with me, I've removed these titles from this list. I've also removed On the Beach for the same reason. There are separate lists for dystopian novels, by the way, should anyone be interested.

Best Alternate History Novels and Stories (611 books)

The Best Alternate History Stories of the 20th Century (2001) has fourteen stories and an introduction by Harry Turtledove. The introduction is an excellent review of the genre and the stories themselves are gems that have long been buried in moldy magazines or ancient -- to the younger fans -- anthologies.
